This is the average sum paid daily to policy-holders by The Mutual Life Insurance Company of New York. Multiply that by a year and the wonder of the amount disappears when you learn how and where the largest accumulation of trust funds in the world is invested, as shown in "A Banker's Will." ## FATAL CLASH OCCURS AT EVANSVILLE, IND.

Race Riot Ends In Death of Many Persons.

SIX KILLED AND 25 INJURED.

Guards and Soldiers, Assisted by Deputy Sheriffs, Pour Deadly Volley Into Mob—Great Excitement Prevails In the Indiana Town.

Evansville, Ind., July 8.—Six shot dead and 25 injured, four fatally, is the outcome of the race riots that have caused a reign of terror in this city during the past four days. At 10:30 o'clock last night the Evansville company of the Indiana national guard, assisted by two special deputy sheriffs sworn in by the day to guard the jail in which 16 negro prisoners are confined, poured a deadly volley of buckshot and bullets into a crowd of several thousand people led by a hundred rioters armed and desperate, which was pressing them back with jeers, threats and foul mouthings, accompanied by stones and missiles, and when the volley smoke lifted 31 wounded and dead bodies lay on the pavements.

There is contention as to who fired first, the soldiers or the rioters. Of the "allies," four were members of the company. Their wounds were slight. Following are the dead and wounded:

### List of Casualties.

The dead:  
 Edward Schiffman, painter, top of head blown off with Springfield rifle balls.

Hazel Hallman, 15 years old, daughter of Joseph Hallman, shot in breast with shotgun.

August Jordan, 18 years, musket bullet wound in breast, through the heart.

Ed Ruhl, 23 years old, laborer, shot through the body and head and killed instantly.

Fred Kappler, 18 years old, shot in the side.

Unknown man, middle aged, shot in back.

The fatally wounded:  
 John Barnes, shot through the right lung.

Calvin Hawkins, shot in the abdomen, left finger shot completely off.

John Gell, shot in the back.

Ernest Walters, shot in the back.

The wounded:  
 Frederick Schmidt, driver Cook Brewing company, shot in the leg and arm.

Lee Hawley, laborer, shot in the leg.

Robert Miller, shot in the cheek, not serious.

Charles Presky, 17 years old, grocery boy, shot through the left wrist; bullet wounds in both heels.

Theodore Beem, aged 20, shot in the right side; painful flesh wound.

Joseph Pares, aged 48, shot in the head and hip; may die.

Albert Kaness, shot while picking wounded rioter up, in right arm, not serious.

Denny McPhillips, gunshot wound in arm and breast.

Union C. Smith, shot in the arms and neck; serious.

Henry Smith, shot in hips and back, with rifle ball.

B. Meyers, slightly wounded in the right leg.

William Keller, shot in the thigh slightly.

Mrs. Joseph Allman, three shots in shoulders.

Joseph Allman, buckshot in the face.

Robert Miller, wounded in the cheek with buckshot.

Johann Hoffman, wounded in the face and leg, will lose his eyesight.

Alvin Jones, buckshot in the back.

William Reese, slight wound in the face.

G. H. Cook, slightly wounded.

Nelson Jacques, buckshot in the face.

Charles Smith, slightly hurt about the head.

The crowd irritated by the presence of the soldiers guarding the prisoners was shouting its determination to break open the jail and get the negroes.

For a half hour or more the crush of the mob against the line of soldiers had grown worse.

### Begged Mob to Desist.

The soldiers warned, prominent citizens begged the mob to desist and disperse and the city officials back of the line of soldiers consulted with the company captains. There were many personal encounters as the rioters pressed the line. A stone was thrown, a soldier fell, a bayonet was thrust in the side of a cursing rioter, and the order to fire was given.

It was all over in a minute. The mob scattered and disappeared. The dead and wounded were taken to homes and hospitals and the line of soldiery was reformed.

The troops acted with ready weapons around the jail, while inside the negro prisoners prayed for mercy and protection.

### More Troops Ordered Out.

At 2 o'clock this morning under orders from Governor Durbin, the Vincennes company of militia arrived and relieved the Evansville troops, who lay down on the courthouse yard and slept on their arms. There was no demonstration when the relief troops arrived. There were still several hundred persons on the streets, but no attack was made and the incoming troops were not disturbed. Negroes are leaving the city in large numbers, many vowing they will never return. Dozens of negro families are camped in the country. Officials believe there will be no further outbreak, although there is great tension and the utmost vigilance will be maintained.

The New Albany and Terre Haute companies of militia have been ordered under arms by the governor, and are ready to start for this city at a moment's notice.

Governor Durbin is considering the advisability of declaring martial law. Great excitement prevails this morning.

### Evansville Shocked by Tragedies.

Evansville, Ind., July 8.—The tragedies of last night whereby half a dozen people were killed and probably half a dozen more fatally wounded, and some 25 more or less badly wounded, was a genuine shock to the people of this city when they awoke this morning and learned the facts in the case.

Most of the killed and wounded are members of families and the terrible events of the night have left hundreds in pretty much of a dazed condition. There is much criticism of the militia, but the soldiers probably acted within their rights as laid down by law, and it seems that the sufferers or their friends and relatives will have no redress.

### Brown Taken to State Prison.

Vincennes, Ind., July 8.—Lee Brown, the negro who was in jail here for safe-keeping after he killed Policeman Massey at Evansville, and precipitated the race riots there, was today taken to the state prison at Jeffersonville by Sheriff Summitt by order of Governor Durbin, where he could not be reached by any mob. The negro was barely alive, and had to be given stimulants and worked with for two hours by Dr. Beckes before he could be taken to the train. Brown's removal has caused great relief here, where the worst was expected tonight.

### JUDGE'S PEONAGE CHARGE.

Montgomery Jurist Insists on Enforcement of All State Laws.

Montgomery, Ala., July 8.—Judge W. H. Thomas, of the city court, has in an able charge to the grand jury after that body organized, touched upon peonage with a heavy hand. In regard to this he said in part:

"In the connection I may say that at this time the eye of the nation is upon us as it has not been for many years. The great body of our people are law-abiding and should not be judged by the conduct of the vicious."

"The more unfortunate, then, if we be misunderstood. We live under a constitution disfranchising negroes, and our duty never more seriously demanded that the right of life, liberty and property be accorded them and that they be protected in the enjoyment of it. If state courts fail or refuse or are powerless to protect life and property, then the strong arm of federal authority must and will intervene through one of its co-ordinate branches of government."

"Is the law observed by all with whom the convict or prisoner comes in contact? Of all the personal rights, life and liberty are sweetest, and in doing your duty in seeing that no unfortunate or ignorant person is mistreated while imprisoned, or is illegally restrained of his liberty, you can but have the hearty approval of every honest man."

### Left Store in Bright Blaze.

Jackson, Miss., July 8.—The Perry county authorities are making a search for the manager of a store at Ovette, a new town on the Mobile, Jackson and Kansas City road, who left quite suddenly just prior to a disastrous conflagration in the community. The manager learned that the proprietor, S. D. Patrick, was coming to make an inspection, and when Mr. Patrick arrived the store was in flames and his manager was gone. The store of J. H. Overstreet was also destroyed, and the total loss was about \$12,000.

### Kappa Alpha Fraternity Meets.

Atlanta, Ga., July 8.—One hundred delegates, representing 40 chapters of the Kappa Alpha fraternity met in this city today in the twenty-third biennial convention of that order. Today's session was devoted to addresses of welcome by Hon. C. Smith, of Raleigh, N. C., and others. The convention will be in session three days.

### WOMAN FALLS IN WELL.

Mrs. Henry Butler Meets Tragic Death Near Elder.

Athens, Ga., July 8.—Sunday afternoon at the home of W. J. Elder, near Elder, Oconee county, Mrs. Henry Butler, who had been visiting there for a few days, met with a tragic death.

Mrs. Butler had gone out to the well to draw a bucket of water and was in the act of drawing up the bucket when the rope broke and Mrs. Butler was jerked forward into the well.

Her head was jammed into one of the buckets as far as her shoulders and her body shot downward through a space of 40 feet to the bottom of the well, in which there was several feet of water.

A neighbor hearing the noise ran to the well, then gave the alarm and in a few minutes the body of Mrs. Butler was drawn up, feet foremost. She was dead when her body was drawn out.

Mrs. Butler's body was carried to Winder, near which place she lived, and was interred. She leaves a husband and a baby 10 months old.

### HE TOOK A BLOODY REVENGE.

Discharged Employee Shot Leeds and Then Shot Himself.

Louisville, Ky., July 8.—Pulaski Leeds, master mechanic of the Louisville and Nashville railroad, was shot and dangerously wounded by G. B. Worner, a former employee of the road. The shooting occurred in Mr. Leeds' office at the union station.

Worner, after shooting Mr. Leeds shot himself through the roof of the mouth, inflicting a wound which will prove fatal.

Worner formerly lived at New Decatur, Ala. He had recently been discharged, and it is supposed he was wrought up over some alleged grievance.

### RICH GOLD STRIKE.

\$20,000 to the Ton Yielded in North Carolina.

Charlotte, N. C., July 8.—A special from Salisbury, N. C., this morning says the Whitney Reduction company of that place has taken out six tons of ore at the Barringer gold mines in Stanly county which yielded \$20,000 to the ton. This is one of the greatest finds in the history of gold mining in this country.

### WERE DISGUISED AS SOLDIERS.

Callahan and Hayes Tried to See Jett and White.

Lexington, Ky., July 8.—Colonel Roger Williams, of the Second Kentucky regiment, said Monday: "I am investigating charges against Sheriff Callahan and Deputy Sheriff Douglas Hayes, of Jackson, who came here Saturday in soldiers' uniforms and tried, under the guise of soldiers, to get an interview with Jett and White at the jail."

"I am advised that his act in impersonating a member of the state guards is a violation of the United States law, as the state militia is now under national control. If it is, I expect to arrest Hayes and hold him for action."

### Killed by Negro Deputy.

Jackson, Miss., July 8.—Stephen Archie, a negro deputy employed by Justice Wildberger's court, in Coahoma county, shot and killed a negro named Wilson Bailey Friday morning while the latter was resisting arrest. The constable demanded the surrender of Bailey, and the latter took a quick shot at the officer, but missed his mark. Archie returned the fire and brought down his man. At the preliminary hearing he was exonerated.

### Exciting and Spectacular Upturn in New York Market.

New York, July 8.—One of the most exciting and spectacular upturns of the season in the cotton market occurred right after midday. The weekly crop report from Washington had just been read and received a bearish interpretation resulting in moderate declines. But almost immediately buying orders were received here from New Orleans and July was rushed up to 12.75, August 12.29 and September 11.39, all of these prices being new high records for the season. The new crop positions responded only partially to the strength in the months said to be controlled by the bull pool.

### Life Attempted by Child Lover.

Chattanooga, Tenn., July 8.—A special from Gadsden, Ala., gives an account of a record-breaking attempt at suicide. Oliver Clarke, a 12-year-old boy, had a quarrel with his sweetheart and swallowed a quantity of morphine. A doctor was immediately summoned, and he may recover.

### To Erect \$25,000 Depot.

Memphis, July 8.—Announcement is made that the Nashville, Chattanooga and St. Louis railroad will immediately begin the erection of a \$25,000 freight depot in this city. It is announced that upon the completion of the building the engineering and operating forces of the Memphis and Paducah divisions, now located at Paducah, Ky., will be transferred to this city.

Louisburg, N. C., July 8.—During a violent storm lightning struck the residence of F. M. Davis, who lives 4 miles north from Louisville. The flash instantly killed his little son, Otto, aged 7 years, and Miss Nannie Dean, his wife's sister, aged about 30 years. Other members of the family were shocked, but none were seriously hurt.

Persons in the Early Stages of Kidney Diseases Should Waste no Time in Making their Kidneys Right

If you don't stop that pain in the back, some of these days you are extremely liable to have Bright's Disease or some other form of kidney trouble. You are just as much in danger if you have dryness of the skin, headaches, restlessness, unusual appetite and great thirst, or if you notice a sediment or cloudiness in the urine or other urinary irregularities.

**FOLEY'S KIDNEY CURE** makes the kidneys right, and whenever there are any indications that these organs are in the least way disturbed, it should be taken promptly and regularly until all symptoms of kidney trouble have disappeared. This preparation is composed of the best known remedies employed by kidney specialists, and it cannot help but cure every form of kidney trouble if taken early. Thousands have testified to this fact. In even the most hopeless cases it will always afford relief.

Dr. Geo. Ewing, of Smith's Grove, Ky., writes: "For years I have been greatly bothered with kidney and bladder trouble and enlarged prostate gland. I used everything known to the profession without relief, until I was induced to use **FOLEY'S KIDNEY CURE**. After taking three bottles I was entirely relieved and cured. I prescribe it now daily in my practice and heartily recommend its use to all physicians for such troubles, for I can honestly state I have prescribed it in hundreds of cases with perfect success."
